

# HELP US PRIORITIZE FACILITIES & PROGRAMS

Park District patrons, **don't miss a great opportunity to influence the way we invest your money.** We need your opinions about the value of the services we provide to help us develop a fiscally responsible, long-range plan that will benefit you and the rest of the community.

## How can you voice your opinion?

You can help us prioritize the tax dollars allocated to each Park District service by participating in any of three upcoming workshops presented by GreenPlay, a national parks and recreation consultant.

GreenPlay is helping us develop a Resource Allocation and Cost Recovery Philosophy, Model and Policy. More simply put, they are helping to ensure our economic sustainability with a spending plan informed by public need.

At each workshop, GreenPlay will make a short presentation explaining cost recovery. Afterward, they will ask for your input to identify where our programs and core services fit within a cost recovery model. **Food will be provided and, as further incentive, prizes will be awarded.**

## RSVP by Friday, November 30

Space in each workshop is limited. To reserve a spot, contact Marilou Caganap at 503/645-6433 (x1663) or [mcaganap@thprd.org](mailto:mcaganap@thprd.org). Include date/time of the workshop you wish to attend. No walk-ins, please.
