- How is education changing for your child?
- What is the role of state educational standards?
- How does Oregon fund our schools?

Now is the time for all of us to get involved in a positive way by learning how money and standards relate to our classrooms.

Please join Deputy Superintendent of Oregon Mr. Rob Saxton, Oregon Chief Education Officer Nancy Golden, Senator Mark Hass, Beaverton Superintendent Dr. Jeff Rose and ODE Fiscal Analyst Michael Elliott for a presentation on state funding and educational standards. There will be discussion and response to your questions.
