

The second annual Beaverton Restaurant Week takes place from **September 27 to October 7, 2018**. We're celebrating the diverse and delicious independent restaurants in downtown Beaverton, and we invite you to dine out during the week!

How does Beaverton Restaurant Week work?

During Beaverton Restaurant Week, **every participating restaurant will offer a special dish that normally isn't on the menu**. When you visit a participating restaurant during Beaverton Restaurant Week, you may order their special dish, or order off the regular menu.
